

# Medrio's Oncology Solution

Ready When Your Patients Are

**300+**  
Studies

**60,000+**  
Patients

**28million+**  
Data Points

Do you have trouble recruiting and retaining patients for your trials?

And when an unexpected change happens mid-study, do you lose valuable time waiting for someone to get back to you?

Or maybe you're spending way too much time checking on supply inventory or reconciling data between systems?

**Any - or maybe all - of this sound familiar? If so, keep reading...we can help make things better for you and your patients.**

# Flexible Solutions That Yield Better Data For a Healthier World

## Reduce Patient Burden

- Digital consent reaches more patients while staying site-friendly
- In-clinic and remote patient reported outcomes
- Centralize patient forms and information in MyMedrio patient site

## Identify Patient Trends Sooner

- Customize access down to the form-level
- Automatic PHI redaction for unauthorized users
- Reduce validation efforts with accuracy intelligence logic
- Automatic, seamless integration reduces reconciliation efforts

*Center your patients,  
not your systems.*

## Experience the Medrio Difference

### Flexible Design Puts You In Control

- Robust randomization to meet any need
- Easy to set up cycles and dynamics
- Painless mid-study changes
- Form libraries reduce time to FPI

### Here When You Need Us

- Our experts are ready to support study build, licensing, and medical coding needs
- Get answers quickly from Medrio's 24/7 Technical Support team
- Be ready when your first patient is with our onboarding, training, and project management options

## ABOUT MEDRIO

At Medrio, we know it takes a global village to achieve a disease-free world. Since 2005, we've developed a successful ecosystem of visionary people like you who want to make the world a healthier place - our employees, customers, and partners alike. We've supported Sponsors and CROs across the life sciences spectrum, in all therapeutic areas and trial phases, to achieve critical breakthroughs and secure more than 375 regulatory approvals. Our innovative and intuitive technology solutions support your teams and sites, while reducing trial participation burden. While other eClinical vendors make these same claims, few can deliver the high-touch, white-glove customer service that makes us your most successful strategic partner and solves your most pressing challenges. To learn more, visit us at [medrio.com](http://medrio.com).
